Dear St. Peter's families,

As the fall school year begins, I am grateful to walk along side the children, youth and families of St. Peter's Lutheran church and the Middletown community. The ministries and programs this church has provided is a gift to each of us, whether a member or a neighbor and friend. In the short time as Coordinator of Together, an encompassing of our outreach ministries, we have been busy preparing programs and ministries for the Fall.

Attached is the TOGETHER FALL NEWS which gives dates and details of upcoming events. Please save the dates that are of interest to you and your families. Ages, dates and times are next to each category of ministry/program. Although we have some things planned, we need your help to give us more information on what your children and youth would like to see us offer at St. Peter's through the TOGETHER programs.

FAMILY INFORMATION MEETING for all children and youth ages 5-18 years and their families will be held on **SUNDAY, SEPTEMBER 12** at 11 am in Luther Hall. We will be discussing the children and youth ministries for the families at St. Peter's. This includes Children's church, youth led worship on Oct 31, Confirmation, St Peter Youth Group and more. Please plan to attend.

Beginning September 12th, **Children's Church** will begin again during our worship service. Children's church will be held **every second and fourth Sundays** with a focus on the readings of the day through drama, art and creativity. A team of volunteers is needed to be part of the ministry team. Please contact Pr. Molly if you are able to assist. High School youth are encouraged to volunteer to be a part of the children's ministry team.

RECONCILING *in* CHRIST

COVID protocol: Each child and adult will wear mask and remain 3 ft apart during all activities, per the CDC recommendations for schools. All surfaces will be sanitized. We will continue to keep updated on CDC recommendations and adjust safety precautions as needed.

See you Sunday!
Peace and Joy,
Pr Molly
